Hi Renee,

Here is yet another area that has created a great deal of controversy and is out of control. I know we are asking for a lot of prioritization recently, but this is yet another that needs immediate attention. I am happy to discuss in greater detail on Monday.

Thank you.
Arianne.

Morgan, Tristen and SLO Robbins,

We have called the police, the department of sanitation and Venice 311 about this every day for a week and not a single thing has been done to help. This is an out of control illegal encampment and illegal dumping site on South Main Street and Dudley Court on this patch of dirt that is owned by the Department of Transportation. This man trespasses on our property, takes our trash and scatters it all over the street, blocks pedestrians and parking spaces, and is creating a non-stop and ever growing problem. This is a danger to us citizens and a health hazard. Please send help immediately.

Here are photos of this man and the havoc that he is creating in front of our home.

Please help us. We need immediate assistance and a permanent solution (which we have asked your office for directly for well over 2 years).

Please send police and the department of sanitation to South Main Street and Dudley Court in Venice.

This man also desperately needs services. Please help him as well.

Thank you,
Sam Sokolow
